

## Wood Wharf E3E4

To whom it may concern,

I am writing this letter of reference for Premium Pipework Services Ltd.

I have known George, Calum, Ally & Dai for a number of years now, working with them as far back as 2016.

PPSL are currently installing the shell and core mechanical and domestic pipework package on our E3/E4

Wood Wharf project, with their package value being circa £2M.

The quality of workmanship, management and supervision has been of a very high standard, as I would expect from their site teams.

PPSL are a valued sub-contractor to ourselves, and I have always found them to be reliable, easy to work with, friendly and professional in any dealings I have had with the lads over the years.

I would have no hesitation in recommending the services of PPSL to any mechanical contractor.
